

# Spirit of Christmas of Chippewa County, Inc.

December 2023

The county-wide support and generosity made it possible for 1389 children in 515 homes to have a little brighter Christmas. It couldn't have happened without your help. The assistance with the 2023 SOC event came in the form of family sponsors; financial support; gift donations; and the creation of hat, mittens, scarfs, slippers, and blankets. Thanks also to the businesses and organizations that displayed gift tag trees collecting gifts from employees, customers, guests, and members. These combined efforts are instrumental in providing a merrier Christmas to children in Chippewa County.

Thanks to the local newspapers, television and radio stations for the media coverage and to the businesses, schools, and organizations which displayed SOC posters helping to inform county residents about the Spirit of Christmas program.

Thanks also to the volunteers (individuals, organizations, and local students) who collected, packed, transported, and distributed the gifts in Chippewa Falls, Cadott, Cornell, and Stanley. Your time, energy, and commitment to others is inspiring.

And finally, a big thanks to the Spirit of Christmas board members and volunteers who work year-round to prepare for this annual event. The success to the SOC program continues today because of your dedication to community service.

Spirit of Christmas of Chippewa County, Inc, is an all-volunteer, non-profit, tax-exempt organization.
